

ActivePitch PRIVATE POLICY

Last modified on May 3, 2024

Welcome to the Privacy Policy for the ActivePitch website, owned and operated by ActivePitch, INC., a California Corporation ("ActivePitch", "we", "us", "our"). We are committed to protecting your privacy and have implemented a comprehensive privacy policy. Because we gather certain types of information about our users, it's important that you understand our policy and the terms and conditions surrounding the capture and use of that information.

This privacy notice applies solely to information collected by this website. It covers the following:

1. What personally identifiable information is collected from you through the website, how it is used, and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect your information from misuse.
4. How you can correct any inaccuracies in the information.
5. Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only have access to or collect information that you voluntarily give us via email or other direct contact from you. We do not sell or rent this information to anyone.

We will use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside our organization, except as necessary to fulfill your request, such as shipping an order.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Site Registration: To use this website, you must complete the registration form, which requires certain information (such as name and email address). This information is used to contact you about the products or services on our site that you have expressed interest in. Optionally, you may also provide demographic information (such as gender or age), but it is not required.

Cookies: We use "cookies" on this site to improve your access and identify repeat visitors. Cookies also allow us to track and target the interests of our users to enhance their experience. The use of cookies is not linked to any personally identifiable information.

Links to Other Sites: This website contains links to other sites. We are not responsible for the content or privacy practices of such other sites. We encourage you to be aware when you leave our site and to read the privacy statements of any other site that collects personally identifiable information.

Surveys & Contests: Occasionally, our site requests information via surveys or contests. Participation is voluntary. Information requested may include contact information (such as name and shipping address) and demographic information (such as zip code or age level). Contact information will be used to notify the winners and award prizes. Survey information will be used to monitor or improve the use and satisfaction of the site.

Opting Out: You can opt out of any future contacts from us at any time by contacting us via the email address or phone number provided on our website. You can:

1. See what data we have about you.
2. Change or correct any data we have about you.
3. Have us delete any data we have about you.
4. Express any concern about our use of your data.
5. Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. Sensitive information, such as credit card data, is encrypted and transmitted securely. You can verify this by looking for a closed lock icon at the bottom of your web browser or by checking for "https" at the beginning of the web page's URL.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (such as billing or customer service) have access to personally identifiable information. The computers and servers where we store personally identifiable information are kept in a secure environment.
